

# On Fire

Modjo

It's hard to believe, but I realise it's true  
You make me feel, that I'm out to get to you

What you going to do, when the evening comes?  
Just give in to me, let me sail on your cloud

My heart's on fire  
Full of desire  
Gotta make it better  
C'mon, try harder

Hearts on sober  
Let me take you higher  
This burning desire  
Will make you surrender

Tone it down, I don't want to go straight  
But now is the time, and our love is here to stay

So we had to do, what you done to me  
Won't get no relief, if I don't have you

My heart's on fire  
Full of desire  
Gotta make it better  
C'mon, try harder

Hearts on sober  
Let me take you higher  
This burning desire  
Will make you surrender

(My heart's on fire, full of desire  
Gotta make it better, c'mon, try harder)

My heart's on fire  
Full of desire  
Gotta make it better  
C'mon, try harder

Hearts on sober  
Let me take you higher  
This burning desire  
Will make you surrender

My heart's on fire...  
Full of desire...  
Gotta make it better...  
C'mon, try harder...

My heart is on fire...

Hearts on sober  
Let me take you higher  
This burning desire  
Will make you surrender
