

Take your time  
You will remain with us  
Don't be late  
You don't be late with us  
So take your time  
You will remain with us  
Don't be late  
You don't be late

Saturday is almost over  
Getting high on stormy weather  
Something to remember  
A sunny day can make you crumble  
Ask me why you don't feel better  
Almost two feet underwater  
Maybe you'll remember  
Sunny days just make you crumble
