

## Kentish

## Modwheelmood

Slowly  
Repeating  
No-one else has heard me say  
Nothing  
Really

I'm only  
Receding  
Walk for miles but here I stay  
Nothing  
Really

Sunday  
Morning  
Close my eyes so i can see  
Nothing  
Really

Another  
Warning  
Another answer to repeat  
Nothing  
Really

Slowly  
Repeating  
Sunday  
Morning
