

Scene

Modwheelmood

In your trouble
Nowhere to be found
Peace, a bubble
Where everybody else is doing
Better than you do
Why they looking at you?
No one seems to take the time to
Ask you how you're doing
Do you want to grab a coffee
Maybe grab a bite

It's a scene we don't fit in
It's a scene we don't fit in
Now

Oooooooooh

I'm not talking
I'm not happy
It's just another
Night out in the city
Don't know where you're going
No one seems to be alright and
They ask you how you're doing
Do you want to grab a coffee
Maybe grab a bite

It's a scene we don't fit in
It's a scene we don't fit in
It's a scene we don't fit in
It's a scene we don't fit in

In your trouble
Nowhere to be found
