

## Steering Wheel

Modwheelmood

please take your time  
you will remain with us  
but don't be late  
you don't be late with us  
so take your time  
you will remain with us  
you don't be late  
no don't be late

ask the steering wheel  
if we were (???)  
something to remember  
the sunny day can make you crumble  
where's the steering wheel  
and we were drudging to remember  
you realize september's done  
saturday can make you crumble
