

# Let's Get Over Them Together

Moe Bandy

I don't know if we can make it  
But baby, let's give it a good try  
We're both comin' off of losin'  
It ain't easy, tellin' love goodbye

You don't look a thing like her  
And I don't guess I measure up to him  
Oh, but then, maybe together  
We can get each other over them

Let's get over them together  
And burn two old memories  
Let's get over them together  
I'll help you an' you help me

Well, I'm so glad we found each other  
We both need someone to hold tonight  
So lay your head on my shoulder  
And let's go somewhere that's out of sight

Before this night is over, who knows  
Two losers might win  
And start again

Maybe together, we can get each other over them

Let's get over them together  
And burn two old memories  
Let's get over them together  
I'll help you an' you help me  
Let's get over them together
