Bring It Back Home

moe.

"Chorus:
I want to bring it back home
I want to...okay
I want to bring it back home
All along that way
I want to bring it back home
I want to...okay
I want to bring it back home
All along that way
Well tell me
What I'm saying
Well tell me
I want to know
Well tell me
What I'm saying
Well tell me
Cause I want to know
Bring it a-round-round
And bring it all back again
Bring it a-round-round
And bring it all back again
Bring it a-round-round
And bring it all back again
Bring it a-round-round
And bring it all back again
(Chorus)
Well tell me
What I'm playing
Well tell me
I want to know
Well tell me
What I'm playing
Well tell me
Cause I want to know
Bring it around-round
And bring it all back again
Bring it around-round
And bring it all back again
Bring it around-round
And bring it all back again
Bring it around-round
And bring it all back again
(Chorus – Jam – Chorus)
