

Dr. Graffenberg

moe.

Well I was just now doing funnels at good ol' TKE's
When I saw a drunk come in who looked pretty good to me
So I asked her for a dance and then I asked her for
name
And within a nanosecond she became a royal pain

Bawk bawk bawk
Bawk bawk bawk

Across the room I spot a girl with eyes disguised as
love
With the raven hair and the soft skin of a dove
And when she looked at me into my eyes she put me in a
hex
I said beat me, whip me, love me baby let me write bad

checks

Bawk bawk bawk
Bawk bawk bawk

Well Suzy was a moaner and a sleazy little tease
But once you got her going she would always aim to
please
With a quart of cheap tequila and a quarter gram of
hash
Her hips would start a smokin' like a pipe of burning
ash

Bawk bawk bawk
Bawk
