

Queen Of The Rodeo

moe.

One more regular night in a regular bar Where you can find regular smoke in the talk without looking too hard One more regular beer before I go Maybe two or five before I get back to my regular home

I don't want to leave here at all Cause some day the most beautiful girl Will look at me and think I'm weird I'll smile and blink at her anyway Simply because I'm there... And I'm weird

And everybody turns to see the girl Standing in neon doorway With her braided curls In walks the real-life queen of the rodeo I swear to you people I thought I done died and gone to heaven I nearly shit my boots

I don't want to leave here at all Cause some day the most beautiful girl Will look at me and think I'm weird I'll smile and blink at her anyway Simply because she's there... And I'm weird

I don't want to leave here at all Some day the most beautiful girl Will look at me and think I'm weird I'll smile and blink at her anyway Simply because she's there... And, maybe, the most beautiful girl Will look at me and come over here We'll laugh and talk the whole night away Simply because we're there... And I'm weird
