

# Bastard

Mötley Crüe

Out go the lights  
In goes my knife  
Pull out his life  
Consider that bastard dead  
Get on your knees  
Please beg me, please  
The king of the sleaze  
Don't try to rape me

Bastard  
Consider that bastard dead  
Bastard  
Make it quick, blow off his head  
Whoa!  
Whoa!  
Bastard  
We won't get screwed again

Got your neck in the noose  
I got nothing to lose  
We're really gonna screw you  
Consider that bastard dead  
Quick as a shark  
Beast has it's mark  
You can't beat the dark  
Don't try to rape me

Bastard  
Consider that bastard dead  
Bastard  
We won't get screwed again No! No! No!

Bastard  
Consider that bastard dead  
Bastard  
We won't get screwed again  
Bastard  
Make it quick, blow off his head  
Bastard  
Consider that bastard dead  
Whoa!  
Whoa!  
Bastard

Whoa!  
Whoa!  
Bastard  
Yeah, I got what I need  
No!  
No!
