Generation Swine

Mötley Crüe

I don't care now what I do 'cause I am just a fool like you Get my way now everyday, I take all I can get just like you Just like you... Back in ya face, Such a disgrace We're the generation swine A rat race from outer-space, Gonna blow your mind Gotta getaway, Gotta getaway Aggravation Gotta blow my brains, Gotta blow my brains We're the generation I want more, It's not enough, We get our thrills Right from this stuff So my mind's a sewage sump, It's smelling bad and out of luck Just like you... Back in ya face, Such a disgrace We're the generation swine Gimme no lip, here comes my fist I don't need it this time Gettin' blown away, Gettin' thrown away Degeneration This here song's for you, the doomed Welcome my fools to the planet Boom Thinkin' that I'll grab my space gun leave this place right now for the zoom Guitar Solo Soft Voice: I don't care now what I do 'cause I am just a fool like you Get my way now everyday, I take all I can get just like you Gimme some space, Get outta my face, We're the generation swine Don't need your lip, Your ignorance We're the generation Always on a run, Always on a run New sensation Wanna go insane, Gonna go insane
