

# Misunderstood

Mötley Crüe

Little old man contemplates  
Suicide twice a day  
Life's passed him by  
Little old woman scared and blind  
Left alone in desperate times  
Life's passed her by

Oh life it's misunderstood them  
So they close their eyes  
And dream of better days  
Oh life it's misunderstood yeah  
Life's not always fair or so they say

Little boy with vacant eyes  
Daddy won't be home tonight  
And he don't know why  
His mother she sits alone  
Tangled in the web she's sewn  
She lives lie to lie

Strangled, caged, left alone  
Doin' time in a broken home  
Feelin' left to die  
I'm a product of your troubled ways  
You made me what I am today  
Now you're askin' why

Oh, life it's misunderstood me  
So I close my eyes  
And dream of better days  
Oh, life it's misunderstood me  
Life's not always fair or so they say

Restless soul deep inside  
Searches for some piece of mind  
Livin' just to die  
I'm an angry man I always have  
Had to fight to survive my past  
Sign of these times

Life, it's misunderstood me  
And I know, know you've been there too  
Time lets a restless soul fade away  
Life's not always fair  
Life's not always fair  
Or so they say

Yeah, life it's misunderstood me  
So I close my eyes  
And dream of a better day  
Oh, life it's misunderstood me  
Life's not always fair  
Life's not always fair  
Or so they say

Little boy with hopeful eyes  
Daddy's comin' home tonight

So don't you cry
