

Hound Of Winter

Mogwai

Where did it go?
I don't know

Where is it now?
Where is it now?

Time hides things
Lies hide things
I hide things
I lose things

Where did it go?
I don't know

Where has it gone?
Where has it gone?

Time hides things
Lies hide things
I lose things
I break things

I forget
I fall away
I'm tired...
I'm tired...
