PARIWO

MohBad

I'm open minded, no violence
Talk my own, no silence
True story wey go touch them
True story regardless
I'm open minded, no violence
Talk my own, no silence
True story wey go touch them
Show some love regardless

I just let you know
Kilode te'n pariwo?
Egungun ni mariwo
I just let you know ooo
Mi o dele pariwo
Mi o dele pariwo

I just let you know
Kilode te'n pariwo?
Hanakuna Paiko
I just let you know
Mi o dele pariwo
Mi o dele pariwo (I just let you know)

Singing from my soul, bossing on my own
Don't step on my toes, ten milli for the show
Singing from my soul, bad man is on row
Omoge ba mi jo, to ri owo n'be lapo

You know, Ghetto Boy we hustle since 2020
And we never tire, yunno na fire for fire
Ja won lenu, kilode te n pariwo?

Oju mi ti paiko, emi ma ti shoko

I just let you know
Kilode te n pariwo (Kilode Nau)
Egungun ni mariwo
I just let you know ooo
Mi o dele pariwo
Mi o dele pariwo

I just let you know
Kilode te n pariwo (Kilode Nau)
Hanakuna Paiko
I just let you know
Mi o dele pariwo
Mi o dele pariwo (I just let you know)
