

Peace

MohBad

Iyawo mi sho da to ro mi pin ofimi sile now mon wa fa cigar

Wetin be this one like this
Been through many things
Many many gists
Though I still find my peace
Imole

Oh I, I do like say me I no dey see
Like say I no dey hear
Which kind person be this?
Oh I, wetin be this one like this?

Been through many things
La ti aiye genesis
I will be dealing with frenemies
Surviver, survivor
Mi o ni gba, mi o ni gba

Money chaser, faster than a bullet
Flying like a rocket
Badman wey never rest
King of south and the west
Faster than a car
Wón fẹ ba mì sa
Faster than a Benz oh
Ìjẹbú ló le ẹwẹso oh
Bad vibes on lyrical
Uh uh uh

Reading my psalm, I am so biblical, olorun
Aiyé gbé okada wọn dẹ tún ni car
Dem wan tear your knicker
Dem wan to turn your teacher
Before you hammer
Oh my nigga, oh my nigga
You go dey when I no get ginger
Oh my nigga, oh my nigga
Shey you go dey when I no get raba?
'Cause my mama, 'cause my mama been praying for me
Say make I jerè
Oh my bebe, oh my bebe
Shey you go dey before my sùrùlerè

Ìyàwó mi ọ̀ da to rò mí pin ofimi sile now mon wa fa cigar
