

## Chatte Batte

Mohit Chauhan

Kabhi lade-lade se thay, kabhi ade ade se thay  
Kabhi bhide bhide se thay, bas yunhi jud gaye  
Thode thode se meethe hain, thode-thode se khatte hain

Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain

Yeh to murgiyon ke chooze se, sang ek dooje ke  
Idhar-udhar titar-bitar dodte phirein  
Yeh to holi ke rang hain, alag hain par sang hain  
Chehre pe chalke to sab lage ek se

Kahin gaalon pe laali hai, kahin jab khaali hai  
Farq in mein hain bade, inhain farq na paray  
Thode-thode se meethe hain, thode-thode se khatte hain

Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
chatte batte hain...

Yeh jalebiyon ke tukre hain, chaashni se ubhre hain  
Tedhe-medhe garma-garam, par meethe bhi hain  
Yeh to hawa ke jhonke hain, kab mutthi mein band hote hain  
Marzi jidhar udhar munh kar udhar sarson bahain

Kahin mummy ki thapki hai, kahin kaanton pe jhapki hai  
Hai manzilein juda, par raah ek hai  
Thode-thode se meethe hain, thode-thode se khatte hain

Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Ab ek hi thaali ke chatte batte hain  
Chatte batte hain...  
Chatte batte hain...
