

We're gettin' married but they don't know me  
I wanna meet them  
You never talk about your family  
Must be a problem  
No more excuses, I'm tired of hiding  
Get in the car, today we gon' tell them  
I might say

'Can I have your daughter for the rest of my life?'  
Say yes say yes, cause I need to know  
He said 'there's a reason why there is black and white'  
It's a no-no, no no no no no

Why you gotta be so cruel? I don't get this world anymore  
Can't you see I'm human too?  
Before I walk out the door I'mma  
Marry your girl  
Marry her anyway  
We'll never run away  
Marry your girl  
Marry her anyway  
So why you gotta be so cruel?

I hate to do this, you give me no choice (can't live without her)  
When you turn around and listen to my voice (do you hear any?)  
I met her earlier(?) from another galaxy  
If she's in love with me, that's how you raised her to be, so

'Can I have your daughter for the rest of my life?'  
Say yes say yes, cause I need to know  
He said 'there's a reason why there is black and white'  
It's a no-no-no, no no no no no

Why you gotta be so cruel? I don't get this world anymore  
Can't you see I'm human too?  
Before I walk out the door I'mma  
Marry your girl  
Marry her anyway  
We'll never run away  
Marry your girl  
Marry her anyway  
So why you gotta be so cruel?

'Can I have your daughter for the rest of my life?'  
Say yes say yes, cause I need to know  
He said 'not even if I come out blind'  
It's a no-no-no, I don't trust you people

Why you gotta be so cruel? I don't get this world anymore  
Can't you see I'm human too?  
Before I walk out the door I'mma  
Marry your girl  
Marry her anyway  
We'll never run away  
Marry your girl  
Marry her anyway  
So why you gotta be so cruel?
