

Turn It Up

Mohombi

We be walkin' through the door
When you're thinkin' that the night is over
That's when we go to war
Cause we're livin' like there was no others

Party in Tokyo
I might have to '
Next we go to Rio and then to Paris comment ca va?
From Puerto Rico then we move to Africa
So tonight let's

Baila, baila, baila, baila
Let's make the world dance ,lose control
We get up and fill them up
Tell the DJ to turn it up

Let's make the world dance ,lose control
We get up and fill them up
Tell the DJ to turn it up
Set the speakers are on fire
Turn it up, set the temperature higher

You know we can't decide
When I get her on my dance floor, soldiers
We ain't running on the clock
We're far from sober now
So time don't matter

Party in Tokyo
I might have to '
