

High On It

Moist

And maybe I'm high on it
And maybe I'm high on it
And maybe I'm high on it
And maybe I'm high

And that's the way it is
And that's the way I'm living
And that's the way it is
And that's the way I'm living

And maybe I'm high on it now
And maybe I'm high on it now
And maybe I'm high on it
And maybe I'm high

Everything's fine
Everything's fine
I'm sheltered behind
I'm sheltered behind you again

I'm sheltered behind
I'm sheltered behind you again

Everything's fine
Everything's fine
I'm sheltered behind you again

Everything's fine
Everything's fine
