

# Morphine

Moist

It never happened  
Never will  
Its not a memory  
There's no way to prove this isn't real  
Never happened  
Never  
Your not a victim  
I'm not to blame  
You've seen my honest smile  
My pretty face  
And all my gentle ways  
Never happened  
Never

She knows its a sin  
Break him down  
Break her down  
Again  
It's a sin  
Force him down  
Force her down  
Again

If you play quietly  
I'll let you go  
If you play quietly  
No one here will never ever know  
Never happened  
Never

She knows its a sin  
Break him down  
Break her down  
Again  
Its a sin  
Force him down  
Force her down  
Again

So please remember me  
I never meant to tell you lies  
So please remember me  
The one who stroked you hair  
And dried your eyes  
I never wanted this to be  
I never wanted this to be  
I never wanted this to be so  
I never wanted more  
I never told you lies  
I never wanted more  
I'm just a boy  
Never wanting  
Never  
She know its a sin  
Force him down  
Force her down  
Again

It's a sin  
Force him down  
Force her down  
Again
