

Hey Franny let's go out tonight  
And have fun all night  
You and me at the disco  
Till the break of dawn

Hey Debby who's our DJ?  
He is Molly good Jolly  
He can rock all night  
Turn the tables right  
Good Jolly Molly  
Hear him scratch the tables from right to left  
He can make you sweat in the disco  
All night and day any hour of the day

Music power music every hour  
Music power music every hour  
Sound sound use your mouth to shout  
Sound sound everybody scream with me

Molly Molly let me hear the sound  
Molly Molly let me sing your song tonight  
Poro poro poro ro ro ro ro  
Ahh ooh

The DJ's inside my mind  
Close your eyes and listen to the sound  
Having fun until the morning sun  
Play the music and bring me joy tonight
