Fool

Molly Burch

When I first met you, baby
You were floating up above
I thought, "Maybe
This is it, this is love"

I fell so hard, I fell so hard
Didn't think twice, didn't think twice
You broke my heart, you broke my heart
You were not nice, you were not nice

Why'd you go and treat me like that, huh?
Why'd you go acting like that, huh?
Why ya acting a fool, huh?
Why ya acting a fool, huh?
You are not what I thought
You are...

Truth be told, I feel crazy
For ever thinking you were mine
Every day feels so hazy
Will it get better with time?

I fell so hard, I fell so hard
Didn't think twice, didn't think twice
You broke my heart, you broke my heart
You were not nice, you were not nice

Why'd you go and treat me like that, huh?
Why'd you go acting like that, huh?
Why ya acting a fool, huh?
Why ya acting a fool, huh?
Why ya acting a fool, huh?
You are not what I thought
You are...

Why ya acting a fool, huh?
Why ya acting a fool, huh?
Why ya acting a fool, huh?
Why ya acting a fool?
