

## needy

Molly Burch

If you take too long to hit me back  
I can't promise you how I'll react  
But all I can say is at least I'll wait for you  
Lately I've been on a rollercoaster  
Tryna get ahold of my emotions  
But all that I know is I need you close

I'ma scream and shout for what I love  
Passionate, but I don't give no fuck  
I'll admit that I'm a little messed up  
But I can hide it when I'm all dressed up  
I'm obsessive and I love too hard  
Good at overthinking with my heart  
How you even think I got this far, this far?

Oh I can be needy, way too damn needy  
I can be needy, tell me how good it feels to be needed  
Oh I can be needy, so hard to please me  
Tell me how good it feels to be

Sorry if I'm up and down a lot  
Sorry if I think I'm not enough  
And sorry if I say sorry way too much  
You can go ahead and call me selfish  
But after all this damage I can't help it  
What you can trust is I need your touch

I'ma scream and shout for what I love  
Passionate, but I don't give no fuck  
I'll admit that I'm a little messed up  
But I can hide it when I'm all dressed up  
I'm obsessive and I love too hard  
Good at overthinking with my heart  
How you even think I got this far, this far?

I can be needy, way too damn needy  
I can be needy, tell me how good it feels to be needed  
Oh I can be needy, so hard to please me  
Tell me how good it feels to be needed
