

## Please Be Mine

Molly Burch

I told you once, I'll tell you again  
You really are my very best friend  
But I, but I had to go, to go  
Every time I think of you now  
I get so blue somehow  
'Cause I, 'cause I still love you, love you

Please be mine  
Please be mine  
Please be mine  
Please be mine

I can feel the days grow cold  
Boy, I'd love a hand to hold  
Is yours, is yours still for me, for me?  
I know I don't deserve you back  
But I'd really like it like that  
Would you, would you like it too, it too?

Please be mine  
Please be mine  
Please be mine  
Please be mine
