

Without You

Molly Burch

When I don't know how to suit myself
I call you-ou-ou-ou, you-ou-ou-ou
Naturally, you've always told me what to
Do-oo-oo-oo, do-oo-oo-oo, oo

You are my guiding light
How would I survive?
I don't know what I would do without you by my side
You tell me what I don't
I always want to know
I don't know what I would do without you
I don't know what I would do without you by my side

Constantly, you're in my head
All of the ti-I-I-ime, ti-I-I-ime
What would you do?
What would you say?
What would you tr-y-y-y, tr-y-y-y?

You are my guiding light
How would I survive?
I don't know what I would do without you by my side
You tell me what I don't
I always want to know
I don't know what I would do without you
I don't know what I would do without you by my side
