

## Something On Your Mind

**Molly Tuttle**

Yesterday, any way you made it was just fine  
So you turned your days into nighttime  
Didn't you know you can't make it without ever even trying?  
Something's on your mind

Let these times show you that you're breaking up the lines  
Leaving all your dreams too far behind  
Didn't you know you can't make it without ever even trying?  
Something's on your mind

Maybe another day you'll wanna feel another way  
You can't stop crying  
You haven't got a thing to say, you feel you want to run away  
There's no use trying

I've seen the writing on the wall  
Who cannot maintain will always fall  
Well, you know you can't make it without ever even trying  
Something's on your mind

Tell the truth now, isn't it?  
Something's on your mind  
Tell the truth now
