

# Dance And Dense Denso

Molotov

Brincos, jalones, codazos y empujones  
De caca recorde los famosos pisotones  
Ojos morados patada en los cojones  
en el slam entre matudos y pelones

Santo Tomas de los pelos parados  
A narizazos su pie le dejaste madriado  
Cayo el pedo, cayo de mi lado

Dance, dense denso todo empanizado

Faster than the rayo  
We's the new freestylers a caballo  
Bone-break-dance intenso let go  
Dance and dense, denso

Dance, dance and dense, denso (3x)

Excuse me if you hear me getting too loud  
It's that I get kind of crazy when you get me around a crowd

Put a codo in you puto  
You get knocked out  
Come on sugar foot  
You're gonna end up getting plowed.

Come on get rowdy, come on get bloody,  
Come on get sweaty, hit somebody

If you got the balls  
Come and take a chance  
and brace yourself cuz it's some dense ass dancing

Faster than the rayo  
We's the new freestylers a caballo  
Bone-break-dance intenso let go  
Dance and dense, denso

Dance, dance and dense, denso (3x)

Dance, dance, dance, dance  
Dense denso, dense denso

Dance, dance, dance, dance  
Dense denso, dense denso

Dance, dance, dance, dance  
Dense denso, dense denso
