Møme

You can walk away  
In a flash of neon light  
You don't have to stay  
I won't put up a fight

Suicide is not for me  
Doesn't suit my style

'Cause I'm feeling fine, I'm feeling better  
I'm feeling fine, I don't need to cry  
And in the day or the night  
I realize I'm not alone

Suicide is not for me  
Doesn't suit my style

'Cause I'm feeling fine, I'm feeling better  
I'm feeling fine, I don't need to cry  
And in the day or the night  
I realize I'm not alone

Suicide is not for me  
Doesn't suit my style

Get in time [x14]  
But you are always  
Down, down, down...

Sui-ci-i-i-ide...

Suicide is not for me  
Doesn't suit my style

Get in time  
We don't mind  
We don't sigh  
We don't cry  
Get in time  
It's alright  
Though you are always down

When I lie in my bed  
Late at night I close my eyes  
And I'll be alright

You can't strip away  
Every step I try to climb...

Suicide is not for me  
Doesn't suit my style

Suicide, suicide, sui-sui-suicide  
Suit my style - suit my style, suit my - suit my - suit my style
