I wanna say I wanted love
I was okay with keeping it solo
Wanna play it in a different way
I heard 'em say that it looked so easy

I'm not afraid, I'm not in love
I'm waking up thinking how could I know though?
Got me taking it a different way
She got me thinking 'bout it differently

She got all the right moves in all the right places
She got me going all the wrong ways
Taking me down and winding me up
No holding me back, I'm finally in love
She got all the right moves in all the right places
She got me going all the wrong ways
Taking me down and winding me up
No holding me back, I'm finally

Honey, honey, you got it all
I'm running, running to your arms
You're making money, I'm making songs
When we're together, it's better, no matter wh-
