

# Sail Away

Møme

Time, yeah I keep wasting all my time  
Yeah I keep trying to unwind-wind-wind  
Why am I falling so behind?

I don't know what to say  
And I don't know what to do  
When you're falling out of love  
When there's nothing else to lose  
Except for time  
Yeah I keep wasting all my time

I'm not okay, I'm not okay, I'm not okay  
But I keep slipping  
I'm not okay, I'm not okay, I'm not okay  
But I keep slipping  
But I keep slipping down

Yeah, we finally found a place to dwell  
Could this be heaven? Feels like hell  
Can I move on? It's hard to tell  
Will someone tell me?

You wanna sail away  
Out of darkness out of pain  
Do you wanna really know how to  
How to listen to your soul?  
It just takes time  
Yeah I keep wasting all my time

I'm not okay, I'm not okay, I'm not okay  
But I keep slipping  
I'm not okay, I'm not okay, I'm not okay  
But I keep slipping  
But I keep slipping down  
Yeah I'm slipping down, away  
Know I wanna talk to you  
Roll around and walk with you

Stop hitting my heart  
I won't quit I won't stop  
Climbing over the top of you  
Stop hitting my heart  
I won't quit I won't stop  
Climbing over the top  
I'm climbing over the top of you

I won't quit I won't stop  
Climbing over the top of you  
I won't quit I won't stop  
Climbing over the top of you  
I'm not okay, I'm not okay  
But I keep slipping down
