

Apollo

Momma

I'm the pilot of a puppet town
Used to be a crony, had to watch my mouth
And I sleep with your god nightly

But you don't see
Apollo's right next to me
(Don't see)
Apollo's right next to me
(Don't see)
Apollo's right next to me
(Don't see)
Apollo's right next to me

Ah, ah
Ah, ah
Ah, ah
Ah, ah

I'm the bronco of this house
Used to get crushed but I crush bugs now
You'll pray to your god nightly

And then you'll see
Apollo's right next to me
(You'll see) Apollo's right next to me
(You'll see) Apollo's right next to me
(You'll see) Apollo's right next to me

Ah, ah
Ah, ah
Ah, ah
Ah, ah
