

Biohazard

Momma

Fawning like a fox
Lunging when you're lost
Peeling back my paws
'Cause he took my muzzle off
What a bastard
He should know I'm a hazard

Crushing cartilage
Binding on a binge
Fucker is a freak
Baiting this barbarian
What a bastard
He should know I'm a hazard

Dispatch got the call
Girl is maimed and mauled
Sirens can't withdraw
When I took my muzzle off
What a bastard
I should know I'm a hazard
