

# Sidewalk

Momma

Pavement  
Gotta get right back  
Tires hit the concrete  
Round the cul-de-sac

Dinner's on the table  
A suburban snack  
Miss you in the front seat  
Days move too fast

But I'm not stuck on the sidewalk  
But I'm not stuck on the sidewalk

Exit  
Turn the engine off  
Banking on your entrance  
The avenue is my front lawn

See you in the driveway  
Navigate to the side door  
Please excuse the barking  
We're safer on the bedroom floor

But I'm not stuck on the sidewalk  
But I'm not stuck on the sidewalk  
But I'm not stuck on the sidewalk  
But I'm not stuck on the sidewalk

Pull in, sit down (Stuck on the sidewalk)  
Wake up, drive out  
Pull in, sit down (Stuck on the sidewalk)  
Wake up, drive out  
Pull in, sit down (Stuck on the sidewalk)  
Wake up, drive out  
Pull in, sit down  
Wake up, drive out
