

## Turf War

Momma

Shadowed by the patriot so you don't see me  
Vilify the principal and board of trustees

The kings and queens are on the core  
You're sitting pretty on the floor  
The varsity has got us bored  
We're veterans in the turf war

Threatened by our homecoming where kids are bolting  
Maybe set the brand new way, it's not his home team

The kings and queens are on the core  
You're sitting pretty on the floor  
The varsity has got us bored  
We're veterans in the turf war

The kings and queens are on the core  
You're sitting pretty on the floor  
The varsity has got us bored  
We're veterans in the turf war

The kings and queens are on the core  
You're sitting pretty on the floor  
The varsity has got us bored  
We're veterans in the turf war
