My heart flutters, our rendezvous
(Rendezvous)
You have my heart in the palm of your hands, however you like
(However you like)

Right now, in my eyes
Are your shoulders, knees and toes
I can't breathe whenever I see you

Wow wow
I lose my mind over your charms
I'm surprised once again
(Hit it Hit it Hit it HO)

What words are needed?
It's hard to breathe

Keep looking, keep coming
Now only look at me
I'll have you in the palm of my hands
More and more, I'll make you fall in love

Give it to you
My eyes
My spilling touch
My one and only lover
From my head, bboom bboom
To my toes, bboom bboom bboom bboom

Just feel it, bboom bboom
In front of you, I'm bboom bboom
I'll give it to you, bboom bboom bboom bboom

What I'm looking at right now isn't a dream
Wake Up Wake Up
You're gonna play hooky and come see me
Take off Take off
I'll show off my charms
I'll show you, pick up the phone
Now or Never Pick up Pick up

Wow wow, mindlessly
My heart pounds, bboom bboom
Again
(Hit it Hit it Hit it HO)
What more can I do now?
Day or night, you shine, it's so crazy

I'm nervous, I'm getting nervous
Now you'll only think of me
You won't be able to fall asleep at night
More and more, I'll make you fall in love

Give it to you
My eyes
My spilling touch
My one and only lover
From my head, bboom bboom
To my toes, bboom bboom bboom bboom

Whenever I see you, whenever I see you
My heart goes bboom bboom bboom bboom
I keep looking, keep looking but
My heart pounds

Give it to you
My eyes
My spilling touch
My one and only lover
From my head, bboom bboom
To my toes, bboom bboom bboom bboom

Just feel it, bboom bboom
In front of you, I'm bboom bboom
I'll give it to you, bboom bboom bboom bboom
