Why that I'm pretty Why that I'm cute why
Why am I not tired of hearing that over and over? Yah
People say that I'm pretty that I'm cute
Even if I try to find the answer over and over, it's endless yah

Those messages looking for me night and day
I don't have time to rest, you
I'm the hot sun I'm burning more and more
You can't look at me straight, you

Your burning eyes casting on me
Like you're looking at here here here here of my body, feel
It feels hot melting you away
Ah woo ah woo ah

I'm so hot
Na na na I'm
I'm so hot
Na na na I'm
I'm so hot
Na na na I'm

Shining shining, going crazy crazy
I'm so hot I'm so hot hot hot
Shining shining, going crazy crazy
I'm so hot I'm so hot hot hot

I'm just the problem yaya
I'm trying to get the answer yaya
This is not a test yaya
I can cheat now yaya
When the wind blows you can't handle my fragrance
My excitement giving everyone laughter

Until people stop getting interested in me
I don't have time to rest, you
Under the moonlight I look better
Soaked in my charm, you

Your trembling hot hands
Like you're looking at here here here here of my body, feel
It feels hot melting you away
Ah woo ah woo ah

I'm so hot
Na na na I'm
I'm so hot
Na na na I'm
I'm so hot
Na na na I'm

A little bit, maybe I'm the light
I can't hide myself even in the daytime, the light in bloom
A little bit, I'm I'mma be
The hot light that doesn't go out even in the daytime

I'm so hot
Na na na I
I'm so hot
Na na na I

Shining shining, going crazy crazy
I'm so hot I'm so hot hot hot
Shining shining, going crazy crazy
I'm so hot I'm so hot hot hot
