

Dr Cat

Momus

Dr Cat is disillusioned with
A new cloud arriving
Cock-a-leekie soup, so
Cock a doodle do
Dr Cat is going bathing with
A thousand robe child
Consideration in the forest
Correct happiness

Essential and spectacular, incredible friends
Exceptional - will rank amongst my all-time ten
Very good, above average, enjoyable friends
Not that brilliant, but I know we'll meet again

Ocky Milkman's wife
Had an enormous roofgasm
She rides a sorry Walkman
Sniffing mint or metal
On a fir-fetched coast
At an airport fury free shop
Black rice, short green rice
Dwarf wheat and random bread

While recording this song to a Grundig TK-145
A careful person may notice the tick-tocks of a clock!
..... external sounds had been introduced
