

## Nervous Heartbeat

Momus

Crying, shiku shiku  
Reluctantly, shibu shibu  
Repeatedly, tabi tabi  
Just in time, giri giri  
Hara hara, nervous heartbeat  
Kira kira, glittering sparkle  
Chika chika, the flickering light of the stars  
Doki doki, the hammering beat of my heart

I'm messed up, mecha mecha  
But you laugh, gera gera  
In the lightning, goro goro  
And your eyes, pika pika  
Kisu kisu by the river  
Gusha gusha, that flows so slow  
Zaa zaa, in the sound of the pouring rain  
Chiku chiku, when will I see you again?
