Pornography

It's just the stuff of every young girl's dreams

Just a young girl's diary

Rendered into photography

It's just the body

Are you scared of the body?

Are you scared of me?

(Poo poo pi doo)

You don't have to touch

To feel this fabulous thing

You don't have to touch

To feel the pang

(Poo poo pi doo)

You don't need feelings

To feel this feeling

You don't need much

To touch the sky

(Poo poo pi doo)
