

Beautiful Sadness

Mon Laferte

Do you really love me?
Do you really miss me?
Sometimes I doubt it
Come on, kiss me
I love when you light my cigarette
Read me something
Do you remember the day you read me poems
While I was washing the dishes?

Beautiful sadness
Some sadness coming
The ocean is peaceful
Come sit with me
Beautiful sadness
Let's get in the car
I am not crazy
I'm just a star

Three years on tour
Hotline suicide
Searching for you
Do you really love me?

Beautiful sadness
Some sadness coming
The ocean is peaceful
Come sit with me
Beautiful sadness
Let's get in the car
I am not crazy
I'm just a star
