

Freeway

Mona

Got me going down the freeway
And you're alone
I don't care about what he said
And you know
These days out we play
It's just a matter of time
Till I'm a wanted man
And I don't wanna be the one to leave
But you keep on pushing and pulling me
We could set it all of fire
I'm just sick and tired of trying
I don't wanna be the one to leave
Now you sit in the alter like
My money don't spend
It ain't like when we play
So go there
A long time on this freeway
And I think you'll find that
I'm a wanted man
And I don't wanna be the one to leave
But you keep on pushing and pulling me
We could set it all of fire
I'm just sick and tired of trying
I don't wanna be the one to leave
You're going on my mind
Holding on
Put up the front not
Wasting time
And I don't wanna be the one to leave
But you keep on pushing and pulling me
We could set it all of fire
I'm just sick and tired of trying
I don't wanna be the one to leave
And I don't wanna be the one to leave
But you keep on pushing and pulling me
We could set it all of fire
I'm just sick and tired of trying
I don't wanna be the one to leave
