

Love Divine

Mona

You look pretty
Sitting pretty
As your world falls apart
Isn't it lovely, so lovely
A holiday for a broken heart
Just die like your past
All the pain that's inside
And dance like you don't give a damn
About your life
Love divine take what is mine
What is mine, what is mine
Even when it's fair life's not fair
You gotta live between the lines
So Mona listen
You wanna get there and you'll be there
Sometimes it takes some time
Sometimes just die like your past
All the pain that's inside
Dance like you don't give a damn
About your life
Love divine take what is mine
What is mine, what is mine
The sun rises and it sits
Tried not to forget pain
Always losing it
So walk the line
And raise a glass
Tip your hat in this past pain
You'll fly again
Love, love
Just die like your past
All the pain that's inside
Dance like you don't give a damn
About your life
Love divine take what is mine
Just take what is mine
What is mine, what is mine
Come to me come to me
Like you're dead on the take
Come to me come to me
Like you're dead on the take
Love divine take what is mine
Just take what is mine
What is mine, what is mine
What is mine, what is mine
If I don't promise to yourself
Just don't run
You know that's true
Here we are now
Standing ground
Cause I'm standing proud with you
You wanna scream
Player stay if I touch you leave
Cover to suspect
I always push the shit
Here we go now
It's you and me

Dance with the flow
Don't lose your grip
Now watch your steps
So you just don't slip
Everything in the earth will shake
What is mine, mine, mine
What is mine, mine, what is mine
You know you'll find me
You know you'll find me
Down on my knees
