

Say You Will

Mona

Her soul takes you under
She's the type of girl who's known
For giving in, rolling like thunder
Every boy in town wants to be her man

Say you will, oh, I'm standing at the front of the line
Say you will, oh, I'm hoping to make you mine
If she knows I'm willing to pay the price

God's been marked in
Some say she's carrying the devil's child
The whole town is talking
Try to point the finger, saying that it's mine

Say you will, oh, I'm standing at the front of the line
Say you will, oh, I'm hoping to make you mine
If she knows I'm willing to pay the price
Oh, oh, oh, oh

Say you will, oh, I'm standing at the front of the line
Say you will, oh, I'm hoping to make you mine
And it's known I'm willing to pay the price

She's the type of girl who's known for giving
She's the type of girl who's known
She's the type of girl who's known for giving
She's the type of girl who's known
Known, known, known, known
