

Cologne Song

Monaleo

What kind of cologne are you wearing
I could smell it on the way home
Yeah

What kind of cologne are you wearing
Smells so good that I'm writing this song
Yeah yeah yeah yeah

What kind of cologne are you wearing
What kind of cologne are you wearing
What kind of cologne are you wearing
What kind of cologne are you wearing
What kind of cologne are you wearing
What kind of cologne I need to know
Yeah

Baby I can smell your cologne from across the room (room)
But I know it ain't Axe
And this ain't something that I usually do
But I had to aks
What are you wearing?
'Cause I ain't never smelled nothing like that before
I smelled that shit when you hit the door
And now it's got me wanting more
Yeah

I know it ain't Dior
Know it ain't Baccarat
I know it ain't Versace
But whatever it is
You got me
I just want to know

What kind of cologne are you wearing
I could smell it on the way home
Yeah
What kind of cologne are you wearing
Smells so good that I'm writing this song
Yeah yeah yeah yeah
Yeah yeah yeah yeah

What kind of cologne are you wearing
What kind of cologne are you wearing
What kind of cologne are you wearing
What kind of cologne are you wearing
What kind of cologne are you wearing
What kind of cologne I need to know
Yeah
