Cirque Du Soleil  
Nigga, welcome to the freak show

Young bitch, my nigga a old man, Ebro  
He gon' still lay the wood, Home Depot  
Freak bitch with a whole bunch of libido  
Money long, temper short, Dan DeVito  
Yeah, I'm from HTX, so is Bun B  
I've been trappin' Monday to Sunday  
I'm a P, I can't let a nigga run me  
He want me to hold onto his balls, rugby  
Ew, hard pass  
The brain too good, he a smart ass  
And the butt too fat, lard ass  
Know I get more head than a hard hat  
Ugh

I just took two shots back to back like a free throw  
He gon' throw that money, I'ma shake it like a freak hoe  
I got Mike Will snapping on the beat hoe

Nigga, welcome to the freak show

Your eyes all on my body, I really am this fine  
There's something magic 'bout me, and you'll find out in time  
Let's make this party private, I'll make things disappear  
This show's for one night only, but you gon' love it here

Welcome to the freak show, lil bitch  
Can you tell me if it's squirting from the pee hole or clit  
Flew him out to The Bahamas, my casito is lit  
Put my foot up in his mouth, I told him get back and lick  
Take my wig off, I don't care about my hair  
Grab me by the braid down, come and kiss on my ear  
Turn the heat up, I'm getting homesick for real  
Bitch I'm from the H Town, I'll suck your dick with my grills  
Like who?

Who  
Sucking on the thing 'til it creaming and cream  
We do it 'til the room is stank like fritos  
He took the yittie off of my titties, like free those  
He all up in my curry, I told him to free throw  
He asked if he could see me again, I said who knows?  
He hated that I'm famous, he want me to stay home  
This pussy too important my nigga, I choose hoe

Your eyes all on my body, I really am this fine  
There's something magic 'bout me, and you'll find out in time
