

Goddess

Monaleo

God is a woman
God is a lady
God ain't a nigga
'Cause niggas drive me crazy
I said if God is a man
What does that make me?
It's no way in hell
That a nigga made me

Leo
Can you blame me?

Tell me how God ain't a lady
'Cause I ain't never known a nigga to make shit but a bad bitch crazy (on God)
Or make a rich bitch lazy
Tell a man you wanted a rose he come with a daisy
Niggas really do amaze me
Gotta treat a man like a baby
Niggas wanna shame me I give it to him plainly
These niggas only good for a dick no channing
They really drain me
And if God is a man
Tell me why these niggas never make plans
And tell me why these niggas never wanna be friends
And why do niggas never wanna fully comprehend
The shit that I'm putting down they pick it up
Skim through the shit I said then mix it up
Niggas full of shit and lies the jig is up
Then wonder why a bitch like me don't give a fuck

God is a woman
God is a lady
God ain't a nigga
'Cause niggas drive me crazy
I said if God is a man
What does that make me?
It's no way in hell
That a nigga made me

Look me in my eyes
Baby come to the light
Tell me I'm perfect, I know I'm the prize
Put up with me, so I'm thinking he might give me a life
But I don't wanna cry
No, I don't wanna hear the lies
Shit, I might just pay for his signs
Hope this nigga don't run outta time
If God was a man
Could he tap into his emotions
'Cause a nigga today would be boasting
Want me to give it to ya
She my kitty I can't bring her down to the ocean
I am a woman who knows her worth
Love me a real street nigga who grew up in church
It's supernatural, he don't deserve it
Eat the cookie up like it was dessert

La-da-da-da-da
No I don't wanna hear those silly lies
When he talk it's da-da-da-da-da
I don't wanna hear
No, I don't wanna hear

God is a woman
God is a lady
God ain't a nigga
'Cause niggas drive me crazy
I said if God is a man
What does that make me?
It's no way in hell
That a nigga made me
