

Kicks (Positively Montauk)

Mondo Cozmo

I believe in superstitions
Like the freckles on your face
I'm on the corner of the Main Street
I am Van Gogh's blade
I do believe I've seen a killer
Down at 'Liars' on the Bay
Down at 'Liars' on the Bay

I dont mind if you don't mind
I've got the love if you've got the time
Stick with me, sweet Marie
The floor is ours and these kicks are free
Girl, these kicks are free

I found religion
Scratching lottery tickets
It was a pleasure just to meet ya
I don't always wear a cast
I'm not always such a mess

I dont mind if you don't mind
I've got the love if you've got the time
Stick with me, sweet Marie
The floor is ours and these kicks are free
Girl, these kicks are free

I dont mind if you don't mind
I've got the love if you've got the time
Stick with me, sweet Marie
The floor is ours and these kicks are free

I dont mind if you don't mind
I've got the love if you've got the time
Stick with me, sweet Marie
The floor is ours and these kicks are free
These kicks are free
