

## Shawnette

Mondo Generator

Shawnette  
She wanted it  
From the boy down in the boiler room  
Shawnette  
She had Tourettes  
She said, "Goddamn, motherfucker, your ass is mine"  
Shawnette  
She had lips  
To say, "Goddamn, motherfucker, your ass is mine"  
There she goes again  
This time for the young meat  
Shawnette Jackson gonna do it with a tall boy, short boy, fat boy, skinny boy  
Shawnette  
She had two new pets  
She duct taped those bitches together like dynamite  
Yeah  
Smoking that killer  
Tweaking that cc  
Just to get her from bleep day to bleep day  
There she goes again  
This time for the young meat  
Shawnette  
She couldn't get it  
So she drank that naughty head and she tied his ass up  
Tied him up
