

Love Sucks You In

Mondo Rock

Love blinds hearts and minds
It'd not what you've been led to think
Some time you're gonna find yourself
Out of body and out of sync
Love hates an empty space
Love's a sucker and love's a fool
By the time you're face to face
You're half way into the whirlpool

You try to fight
You tried to win but
Love sucks you in

Lovers leap and hearts collide
Out of pity or out of pain
And even though we know about the down-side
Here we go again
Because we need the heat
We need the hurt
We walk the street
We dig the dirt

You try to fight
You tried to win but
Love sucks you in
Oh, again and again, love sucks you in
Yeah yeah, love sucks you in

Love blinds hearts and minds
It takes over your live and then
Even though we pretend to know
Here we go again
Here we go again
Here we go again

You try to fight
You tried to win but
Love sucks you in
Oh yeah, again and again
Love sucks you in

Because we need the heat, yeah
We need the hurt, ah, ah
We walk the street, that's right
We dig the dirt, love sucks you in
We need the heat, oh, it sucks
We need the hurt, it sucks you in
We walk the street, yeah yeah, it sucks
We dig the dirt, love sucks you in
