

Waterfalls

Moneen

You're on your own living with fear, all alone.
Don't close your eyes, leave 'em all wide.
Wild eyed in love today.
Cause I feel you're not in love today.
You don't love me, and can't let go.

Crying your eyes out, pulling you down.
There's more to those eyes than waterfalls.
I'm pulling you back from living your life.

Finding your worth, show us all how you stand on your own.
You don't love me, you don't care, you don't love me anymore.

You're crying your eyes out, pulling you down.
There's more to those eyes than waterfalls.
I'm holding you back, don't let me fool you.
I'm holding you back from living your life.

Finding your worth, show us all how you stand on your own.
